E5 F5 D5 E5

[Verse]
E5   **F5**   **D5**   **E5**
I stared at the face of evil in the belly of the beast
E5   **F5**   **D5**   **E5**
I turned my back on Jesus in the belly of the beast
E5   **F5**   **D5**   **E5**
Sometimes your only choice is no choice at all

Sometimes the only voice you hear is when the devil calls

[Chorus]
E5 F#5 C5
        So listen
A5   **B5**
I m holding on, I m holding on
E5
It don t matter how deep you re digging in the belly of the beast
E5
It don t matter how far you re falling in the belly of the beast
E5
Sometimes it s not worth dying in the belly of the beast
B5
You better pray for your sins to kill you fast
B5
You better pray how long this life will last
E5
 Cause what you do, what do when you re living
E5
Is what you do, what you do when you die
