

**Life Is Beautiful**  
**Sixx:A.M.**

Life Is Beautiful  
Sixx:A.M.

This is how I like to play it on my acoustic...

[Verse 1]

**Em** **G**  
You can't quit until you try. You can't live until you die  
**C** **Am** **Em**  
You can't learn to tell the truth, until you learn to lie  
**Em** **G**  
You can't breathe until you choke. You gotta laugh when you're the joke  
**C** **Am** **Em**  
There's nothing like a funeral to make you feel alive

[Chorus]

**G** **C** **Am**  
Just open your eyes. Just open your eyes, and see that life is beautiful.  
**Em** **G** **C** **Am** **Em**  
Will you swear on your life, that no one will cry at my funeral

[Verse 2]

**Em** **G**  
I know some things that you don't. I've done things that you won't  
**C** **Am** **Em**  
There's nothing like a trail of blood to find your way back home  
**Em** **G** **C**  
I was waiting for my hearse. What came next was so much worse  
**Am** **Em**  
It took a funeral to make me feel alive

[Chorus]

**G** **C** **Am**  
Just open your eyes. Just open your eyes, and see that life is beautiful.  
**Em** **G** **C** **Am** **Em**  
Will you swear on your life, that no one will cry at my funeral

**G**

**C**

**Am**

Just open your eyes. Just open your eyes, and see that life is beautiful.

**Em**

**C**

**Am**

Will you swear on your life, that no one will cry at my funeral
