

This Is Gonna Hurt

Sixx:A.M.

Dm

Feels like your life is over

Bb

Feels like all hope is gone

Gm

You kiss it all away

C

Maybe maybe

Dm

This is a second coming

Bb

This is a call to arms

Gm

C

Your finest hour won't be wasted wasted

Dm

Bb

Hey hey hell is what you make make

Gm

Rise against your fate fate

C

Nothing's gonna keep you down

Bb

Even if it's killing you

C

Because you know the truth

Chorus:

Dm

Listen up listen up

F

There's a devil in the church

Bb

Got a bullet in the chamber

A9

And this is gonna hurt

Dm

Let it out let it out

F

You can scream and you can shout

Bb

A9

Keep your secrets in the shadows and you'll be sorry

Dm

F

Everybody's getting numb

Bb

A9

Everybody's on the run

Dm

Listen up listen up

F

There s a devil in the church

Bb

Got a bullet in the chamber

A9

And this is ganna hurt

Segunda Parte:

Dm

You got your hell together

Bb

You know it could be worse

Gm

A selft-inflicted murder

C

Maybe maybe

Dm

You say it s all a crisis

Bb

You say it s all a blur

Gm

C

There comes a time you ve gotta face it face it

Dm

Bb

Hey hey hell is what you make make

Gm

Rise against your fate fate

C

Nothing s gonna keep you down

Bb

Even if it s killing you

C

Because you know the truth
