or the site
CHORDS: (C, D, Em, F, G)

Intro:

C D Em F F Em D (2X)
Oh ay oh ay yay! Oooh oooh oooh oooh oooh, yea ay yea ay!

F F G G G

Verse 1:

They can t keep a good man down

Always keep a smile when they want me to frown

Keep the vibes and they stood my grounds

They will never ever crown

Who Jah bless I say no man curse

Things gettin beeter when they thought it would be worse

Here comes the officers askin for a search, they found no weapon just a only
draw first

Chorus:

C	F	Em	G	C	C
Cause I m so solid as a rock they just can t stop me now					
C	F	Em	G	C	C
Even when they set up there traps they just can t stop me now					
C	F	Em	G	C	C
People will say this and that they just can t stop me now					
C	F	Em	G	C	C
Even when they set up road blocks they just can t stop me now					

Verse 2:

F	F				
C	F	Em	G	C	C
When they come with there evilest thoughts i just listen whenever they talk					

C	F	Em	G	C	C
Jah is the light into my dark, he cut and tear my path					
C	F	Em	G	C	C
They fight without a cause tryin to make my life so hard					
C	F	Em	G	C	C
The king of kings and the lord of lords, give it all rewards					

Chorus:

C	F	Em	G	C	C
Cause I m so solid as a rock they just can t stop me now					
C	F	Em	G	C	C
Even when they set up there traps they just can t stop me now					
C	F	Em	G	C	C
People will say this and that they just can t stop me now					
C	F	Em	G	C	C
Even when they set up road blocks they just can t stop me now					

Verse 3:

C	F	Em	G	C	C
So don t you mix me up with your dirty games,					
C	F	Em	G	C	C
your only tryin to tarnish my name					
C	F	Em	G	C	C
Your only lookin for the innocent to blame,					
C	F	Em	G	C	C
when your the ones who issue the guns down the lane					
C	F	Em	G	C	C
You only cause dysfunction and frame,					
but the right ones believe in the reign ,					
Love is all i got I give and I m not ashamed					
lookin towards the future this lie can t tame
