It was good to have a friend and it was good to laugh with him

F# C# G# And it was good to hear him say he loved me. G# G# I never thought he d do me wrong so I gladly went along I loved him more than any man I ve known And after he had all his fun he told me that our love was done And then he left this country girl alone. But I didn t have the bus fare to Kentucky Or this city would have seen the last of me I didn t have the bus fare to Kentucky G# And that old Grey Dog won t let me ride for free. G# I can t afford to go first class so I ll make it the best I can Anything to get my feet on that good Kentucky land My thumb is in the air and my suitcase by my side Won t somebody give this poor old country girl a ride. C# Kentucky I m a comin home I ll never leave you anymore Kentucky I don t know why I ever strayed C# F# Kentucky your bluegrass bridges and your valleys call to me Kentucky I m comin home to stay

Kentucky I m a comin home I ll never leave you anymore...
