[Verse]
```
G                   Bm
Is it a gift or isn t it
   Am              D
I didn t ask for any of this
G                   Bm
But I m here so I ll have to cop it
Am                 D
Might as well try make somethin  of it
G                   Bm
Have a margarita, have a scoop
   Am                D
I think I had too much too soon
     G              Bm
But right now, somehow
      Am                   D
Seems like a good time to talk to you
```

[Chorus]
```
C             D              G        Bm
I don t ever wanna do wrong ever, by anyone
C               D
I just wish I held my tongue
G           Bm
Sometimes, when I m drunk
C                     D
Saying things that don t make sense
G             Bm
I just wanted, to be friends
```

```
         C       D
Would you, please excuse the booze

G Bm Am D (x2)

[Verse]
G                           Bm
Will it stick, should we give it the flick
       Am                       D
Put it in the blender mix some words with it
G             Bm
Pour it out, I can t stop it
         Am               D
Put it on the record so you can cop it
G                   Bm
Have a margarita, have a scoop
   Am               D
I think I had too much too soon
     G             Bm
But right now, somehow
       Am                   D
Seems like a good time to talk to you

[Chorus]
C             D           G         Bm
I don t ever wanna do wrong ever, by anyone
C                 D
I just wish I held my tongue
G         Bm
Sometimes, when I m drunk
C                   D
Saying things that don t make sense
G                 Bm
I just wanted, to be friends
       C     D
Would you, please excuse the booze

G Bm Am D (x4)
Have a margarita (x8)
