

Midnight Eyes
Skegss

[Intro]

G Bm C D

[Verse]

G

Looking out my midnight eyes

Bm

Looking out at the midnight sky

C

Staring up at infinity

D

Glaring as far as these eyes can see

G

Should probably go to bed

Bm

And give these midnight eyes a rest

C

They've seen enough of this world for a day

D

I don't know how much more they can take

[Chorus]

C

D

Turn the lights off

G

Slide under the sheets

C

Pull the pillow right under my cheek

D

Lay on my side

G

I thought I was tired

C

Why's it taking so long, to go to sleep

D

I thought I was tired

D

But these midnight eyes, keep lying to me

[Instrumental]
