Skillet

[Intro]

D Dsus4 D Dsus4

[Verse 1]

D **A/C#**
Angry words and honking cars Satellites and falling stars
Bm **G**
Distant dark, blue radios that whisper down my boulevard
D **A/C#**
Ghosts in chains rattle in the attic Broken headphones filled with static
Bm **G**
Lonely room, youâ€™ve got nowhere to run
Bm **A** **D** **G**
Three, two, one for all and all for one

[Pre-Chorus]

D **Dsus4**
Times will be bad, times will be good
D **A**
Things I wish I hadnâ€™t done somehow wish I would
D
Cutting through the American noise
Dsus4 **D**
Youâ€™ve got a voice and a song to sing
A
(And a song to sing)
G **A** **G/B** **A/C#**
Drink deep in the morning Drink deep in the morning
D
See what the day will bring

D **Dsus4**
la la la la Lift up your voice

Let love cut through the American noise
D **Dsus4**
