This is my first tab so email me and feel free to make comments.

verse: all the verses are played this way.

```
G|-----|
D|-----|
A|-----|
E|-3-3-3---3-3-3---3-3-3---3-3-3---3-3-3-----|
```

Just keep playing 3-3-3 then the guitar will play a chord and repeat till the chorus.

Chorus:

```
G|-----|
D|-----|
A|----5---3---5---3---5-----5-----|
E|--3---3---3---3---3---3-3-----|
```

Thats it just keep playing the verse and the chorus over.
