bass:

the verses are just a cycle of this..

```
e|--2-2--5--10-10--9--2-2--5--10-10--9--5/9-9b--|  
   F#   A  D       C# F#   A  D       C#
```

it ends on the 10 (D) before it goes to the chorus..soo cut it here

and the chorus is..

```
a|-----5-5-5-5--|  
e|--5-5-5-5-----| 3x  
   A           D
```

then

```
a|-----8-8-8-8--9-9-9--5--|  
e|--5-5-5-5-----|  
   A           F           G           D
```

the bridge (which is the instrumental) is just the verse line

i typed this out for a friend, and i saw it wasnt on here..so
im putting it up..but i dont want to re-type it..or put lyrics
so be good guitarists and figure it out..its not hard..im pretty
sure it close..dont eat me out if its not though..
