C# C
Fm Bbm Fm Bbm

[Verse 1]

Fm
Death surrounds
Fm   **Bbm**
My heartbeat s slowing down
Fm
I won t take this world s abuse
Fm   **G#**
I won t give up or refuse
Fm
This is how it feels when you re bent and broken
Fm
This is how it feels when you re dignity s stolen
Fm
When everything you love is leaving
Fm   **G#**
You hold on to what you believe in

[Pre-Chorus]

Bbm

                             C#
The last thing I heard
                                      Fm
Was you whispering goodbye
       C
and then I heard you flatline

[Chorus]

C#
No!
             Fm
Not Gonna Die tonight!
                  G#   **D#**
We re gonna stand and fight forever!
(don t close your eyes)

C#

```
No!
        Fm
Not Gonna Die tonight!
            G#              D#
We re gonna fight for us together!
        Cm
No we re Not Gonna Die tonight!

C# C

[Verse 2]

Fm
Break, their hold
Fm                      Bbm
 Cause I won t be controlled
Fm
They can t keep their chains on me
Fm                  G#
When the truth has set me free
Fm
This is how it feels when you take your life back
Fm
This is how it feels when you finally fight back
Fm
When life pushes me, I push harder
Fm                              G#
What doesn t kill me, makes me stronger

[Pre-Chorus]

 Bbm
                    C#
The last thing I heard
                        Fm
Was you whispering goodbye
    C
and then I heard you flatline

[Chorus]

C#
No!
        Fm
Not Gonna Die tonight!
            G#                  D#
We re gonna stand and fight forever!
(don t close your eyes)

C#
No!
```

```
            Fm
Not Gonna Die tonight!
            G#                  D#
We re gonna fight for us together!
          Cm
No we re Not Gonna Die tonight!

[Bridge]

C# D#
Fm                  D#
Don t you give up on me
C# D#
Fm              D#
You re everything I need
C# Em
Fm                              G#
This is how it feels when you take your life back
Fm                                  D#          Bb
This is how it feels when you. fight. back!
