

One Day Too Late
Skillet

[Verse 1]

Tick tock hear the clock countdown
wish the minutehand could be rewound
so much to do and so much i need to say
will tomorrow be too late

C
feel the moment slip into the past
G
like sand through an hour glass
Am **F**
in the madness i guess i just forget

to do all the things i said

[Pre-Chorus]

(with this i just use the low E string and play 3, 5, 1, listen to changes in tone)

time passes by
never thought id wind up
one step behind
now ive made up my mind

[Chorus]

C
today im gonna try a little harder
G
try to make every minute last longer
Am
gonna learn to forgive and forget
F
cause we dont have have long, gonna make the most of it

C
today im gonna love my enemies
G
reach out to somebody who needs me
Am
make a change, make the world a better place
