

## Rebirthing Skillet

Verse 1:

**A#m**            **G#m**            **F#m**            **Fm**            **A#m**  
I lie here paralytic, inside this soul.  
**G#m**            **F#m**            **Fm**            **A#m**  
Screaming for you till, my throat is numb!  
**A#m**                            **G#m**  
I wanna break out, I need a way out!  
**F#m**    **Fm**  
I don t believe that it s gotta be this way!  
**A#m**                            **G#m**                            **F#m**                            **F5**  
The worst is the waiting! in this world I m suffocating!

Pre-chorus:

**A#5**                            **Cm**    **F#m**  
I feel your presence, filling up my lungs with oxygen.  
**G#m**                            **F#m** **G#m** **A#m** **C#m**  
I take you in...I ve died!!!

Chorus:

**Cm**            **C#m**                            **G#m**  
Rebirthing now!!! I wanna live for love  
**F#m**    **A#m**                            **G#m**  
I wanna live for you and me!  
Breath for the first time now,  
**F#m**                            **Fm**  
I came alive somehow.  
**Cm**            **C#m**                            **G#m**  
Rebirthing now!!! I wanna live my life  
**F#m**                            **A#m**                            **G#m**  
I wanna give everything  
Breath for the first time now,  
**F#m**                            **Fm**                            **F#m** **G#m**  
I came alive somehow.  
**A#m**                            **G#m** **F#m** **Fm**  
Right now!  
**A#m**                            **G#m** **F#m** **Fm**  
Right now!

Verse 2:

**A#m**                            **G#m**            **F#m**            **Fm** **A#m**  
I lie here lifeless in this cacoon,  
**G#m**                            **F#m**                            **Fm**  
shedding my skin cause I m ready to.  
**A#m**                            **G#m**  
I wanna break out, I found a way out!  
**F#m**    **Fm**

I don't believe that it's gotta be this way.

**A#m**                    **G#m**                    **F#m**                    **Fm**  
The worst is the waiting in this world, I am suffocating!

Pre-chorus:

**A#5**                    **Cm**                    **F#m**  
I feel your presence, filling up my lungs with oxygen.  
**G#m**                    **F#m** **G#m** **A#m** **C#m**  
I take you in...I've died!!!

Chorus:

**Cm**                    **C#m**                    **G#m**  
Rebirthing now!!! I wanna live for love  
**F#m**                    **A#m**                    **G#m**  
I wanna live for you and me!  
Breath for the first time now,  
**F#m**                    **Fm**  
I came alive somehow.  
**Cm**                    **C#m**                    **G#m**  
Rebirthing now!!! I wanna live my life  
**F#m**                    **A#m**                    **G#m**  
I wanna give everything  
Breath for the first time now,  
**F#m**                    **Fm**                    **F#m** **G#m**  
I came alive somehow.

Bridge:

**A#m**                    **Cm**                    **C#m**  
Tell me when I'm gonna breath again!  
**G#m**                    **F#m**                    **Fm**  
Tell me when I'm gonna breath you in!  
**A#m**                    **Cm**                    **C#m**  
Tell me when I'm gonna feel inside!  
**G#m**                    **F#m**                    **Fm**  
Tell me when I'm gonna feel alive!
