band out there. I was playing around on the bass and here s what I ve
sussed.

OK, you play a progression like this for the intro and the verse:

```
G -----  
D -----  
A --3--3--2--2--0-----  
E -----1--1-----
```

Then for the chorus:

```
G -----  
D -----  
A --2--2--0--0-----3--3-----  
E -----1--1-----
```

* Please note that this IS NOT the correct ammount of times that you
play the notes! *

That s pretty much it for now, I still have a little to work on for the
rest of the song. This song is absolutely perfect for all your praise
and worship needs. I know there s maybe a couple parts that aren t
right, but this is my first tab, so go easy on me. Please send all
corrections, questions, etc. to *
