band out there. I was playing around on the bass and here s what I ve sussed.

OK, you play a progression like this for the intro and the verse:

J	
D	
Α	33220
Ε	11

Then for the chorus:

G	
D	
Α	220033
E	11

That s pretty much it for now, I still have a little to work on for the rest of the song. This song is absolutely perfect for all your praise and worship needs. I know there s maybe a couple parts that aren t right, but this is my first tab, so go easy on me. Please send all corrections, questions, etc. to \*

<sup>\*</sup> Please note that this IS NOT the correct ammount of times that you play the notes! \*
