[Verse 1]

Am

The world around me Is lost in misery

F G Em Am (*)

The only good I ve got in my life is you

Am

No meaning, no other reason

F G Em Am

When everything feels wrong I feel right with you

Am

So madly, desperate, deeply,

F G Em

obsessed your love is better than life to me

F Am G

Can I have this moment forever?

Am G F G

Take me to the beginning

[Chorus]

Am F

You are what I believe

C G

I ll live and die for you

Am F

This is all that I need

C G

When nothing is real you are my truth

F G Am

In the darkness you shine

F G Am

Can you keep me safe tonight?

F

When I m down on my knees

G

You are what I believe
