

Yours To Hold
Skillet

I Don t know the name for the G chord I m gonna describe. I ll Call it G alt.
just for
the purpose of this tab so you know what Chord I mean when I say that. It looks
like this.

```
E|---3  
B|---3  
G|---0  
D|---0  
A|---2  
E|---3
```

Basically, it s just a variation on G, but it s different from the straight G
chord. It
isn t hard to play, just add your 3rd finger on the 3rd fret of the B string.
That s all
that changes. It s what Skillet plays in the song, but again, I don t know if
there s a
real name for it or not. Same thing applies to what I called Em-Alt. it s the
same as an
Em, but with those 2 fingers on the 3rd frets of the hi-E and B strings.

Verse 1:

```
      D          D2          G-Alt  
I see you standing here  
Bm          A          G  
But youâ€™re so far away  
D          D2          G-Alt  
Starving for your attention  
Bm          A          G  
You donâ€™t even know my name
```

```
Bm          A  
Youâ€™re going through so much  
          D/F#          G  
But I know that I could be the one to hold you
```

Chorus:

```
D  
Every single day  
Em-Alt  
I find it hard to say  
Bm          A          G  
I could be yours alone  
D  
You will see someday
