G-----!

sb: slight bend

Verse 1

**C**  
I walked into the sea  
**D**  
Those waves, they came for me  
**Em**  
And on my scarlet sun  
**A**  
Well I will never burn  
**C**  
My eyes stay liquid free  
**D**  
Not phased by chemistry  
**Em**  
The whole 9 yards I see  
**A**  
It s dying through the haze

Chorus

**C** **B**  
Just let the sun, shine on your face  
**Em** **A**  
Only the darkness blinds your way  
**C** **B**  
You take it easy, you walk on your own  
**Em** **A**

Look for the sunshine to find your way home

**C**

**B**

Just let the sun, shine on your face

Verse 2

**C**

Special, these dirty deeds

**D**

They flag my pretty dreams

**Em**

I snapped away from love

**A**

When leave down on my own

**C**

Feel as attack is free

**D**

Get it via empathy

**Em**

Still you re not lost on me

**A**

I still smell the sea

Chorus

Bridge

**Em**

**C**

**A**

You ll make it, you ll make it, you ll make it

**G**

**C**

**D**

Ooh, just let the sun

**Em**

The sun

**A**

**C**

**D**

You just need the sun

**Em**

**A**

The sun, Ooh

Chorus

Let ring Em to finish the song
