Boots and Braces

G **C** **D**
Trying to figure out just what to do
G **C** **D**
Wonder what the future holds for you
G **F** **C** **G**
Being in a cult is part of growing up today
G **F** **C** **G**
Drifting round the streets you re living your life your own way, in your...

Chorus:

G **F** **C** **G**
Boots and braces, shaven-headed hoards
G **F** **C** **G**
Boots and braces, fighting cos you re bored
G **F** **C** **G**
Boots and braces, you ll always get the blame
G **F** **C** **G**
Boots and braces, we ll come in just the same

Wearing your Ben Sherman in the sun
Trying to figure out just who to run
Levi jeans, Doc Marten boots, and just hear the skinhead roar - Skinhead!
No one stands against us, cause we ve beat em all before

Chorus X 2

Try and get you banned from everywhere
Cos you wear your boots and you cut your hair
They would rather see you in a dirty old Afghan
If you were a Left-wing hippie, you won t face no ban
