

I Believed In You  
Skunk Anansie

Intro: C D Em (2x)

          C          D  
I d like to invite you  
          Em  
To this pretty little thing  
          C          D  
Where the fruits of your labors  
          Em  
Are eaten by the queen  
          Am          G  
Yeah I d like to bequest you  
          Em  
A seat with greedy boys  
          C  
But I m sorry,  
          D          Em  
I ma stop you, at the door

          C  
I believed in you  
D          Em  
Well, I was wrong  
          C          D  
I believed you d make me better  
          Em  
I was wrong  
          Am          Em  
I believed you d shine your light and save my soul  
Em  
Like Superman or God  
G          C  
I believed in you  
D          Em  
Well, I was wrong

          C          D  
Will you do me the favor?  
          Em  
Go slit your skinny throat  
          C          D  
Let your blood flow freely  
          Em  
So all your boys can choke  
          Am          G  
As I rise to defeat you
