Versel:

**C**                    **G**  
Another useless fight  
**C**                    **G**  
Saddened words ring true  
**C**                    **G**  
Leaving like a saint  
                      **F**        **Em**  
Still clouds follow you

Verse2:

I ve seen behind your wall of words  
Your sneaky with the facts  
Look whose hiding now  
How I ve seen through cracks

Chorus:

**C**        **G**  
Still I m not afraid  
          **D** **C**        **G**  
Not so dead afraid  
                  **C**        **G**  
No I m not afraid  
                  **F**        **Em**        **F**  
Now you ve all the light

Verse3:

Beauty s all you are  
Friends for days adn eternal nights  
Solid head pur lights

Chorus:

Bridge:

Now you've all the light

**F**

Still I feel you

**G**

By my side, by my side

Nothings useless now

Friends always time to try

The safest hands hold me

Now I wander far
