

Squander Acoustic
Skunk Anansie

== SQUANDER (Acoustic) - Skunk Anansie ==

An awesome song by an awesome band(:
This version is based on the version of Alcesgabbo. Thank him for finding out the right chords! I fixed the timing of the chords and added the Bridge part in the third chorus.
Have fun playing! Yours Adrian(:

You can hear my version of Squander on soundcloud. I like to put the capo on the 7th or 8th fret.
