You Saved Me
Skunk Anansie

[Intro]
D   G

[Verse]
D   **G**
  Iâ€™d been looking through my mirror
D   **G**
  With somebody elseâ€™s eyes
   E   **A**
Then you broke me down
   E   **A**
And you fixed my blood stained crown
D   **G**
  Iâ€™ve been looking through my window
D   **G**
  At somebodyâ€™s elseâ€™s world
   E   **A**
Then you let me fall
   E   **A**
Right through your open door

[Chorus]
                    G
When you came and saved me
       Em
You save me
  D   **A**
From myself
                G
You came and saved me
        Em
You save me
         D
From myself

[Verse]
D   **G**
  Iâ€™d been running hard on empty
D   **G**
  Sinking deeper in the sand
   E   **A**
Then you let me down
   E   **A**
Right onto solid ground

[Chorus]
                    G

```
When you came and saved me
      Em
You save me
D         A
From myself
              G
You came and saved me
      Em
You saved me
         D
From myself
               G
When everyone left me
      Em
You loved me
 D             A
Like no one else
               G
You came and saved me
      Em              D
You saved me from myself

[Bridge]
        Em
I had hope in my heart
           G
That youâ€™d run from me
Bm                  A
Cos Iâ€™ve done it all
Em                            G
now I feel in my heart that youâ€™ve come for me
Bm           C     Bm   A
you leave me looooooove

[Chorus]
                   G
When you came and saved me
      Em
You save me
D        A
From myself
               G
You came and saved me
      Em
You saved me
        D
From myself
               G
When everyone left me
      Em
You loved me
 D             A
Like no one else
```

```
                G
You came and saved me
     Em            D
You saved me from myself

[Chorus]
          G
Baby you saved me
     Em
You saved me
D        A
From myself
              G
You came and saved me
     Em
You saved me
        D
From myself
               G
When everyone left me
     Em
You loved me
 D            A
Like no one else
              G
You came and saved me
    Em              D
You saved me from myself
```
