[Verse 1]

**F** **Em** **F**  
Survived, tonight, I may be going down  
**G** **F**  
Cos everything goes round too tight  
**Em** **F**  
Tonight, and as you watch me crawl  
**Esus4** **E**  
You stand for more  
**Am** **D** **F** **Esus4** **E**  
And your panic stricken blood will thicken up, tonight

[Chorus]

**C** **G** **E7** **Am**  
Cos I don't want you, to forgive me  
**F** **D7/F#** **G**  
You'll follow me down, you'll follow me down, you'll follow me down

[Verse 2]

(same as verse 1)  
Survive, tonight, I see your head's exposed  
So we shall kill constructive might  
It's alright, as your emotions fool you  
My strong will rule you  
And your panic stricken blood will thicken up, tonight

[Chorus]

**C** **G** **E7** **Am**  
Cos I don't want you, to forgive me  
**F** **D7/F#** **G**  
You'll follow me down, you'll follow me down, you'll follow me down

[Bridge]

**Bb** **Am**  
I won't feel restraint  
**Em** **G**

Watching you close sense down

**Bb Am**

I can't compensate

**E E7**

That's more than I've got to give
