

Ghost
Sky Ferreira

[Verse]

G

I m not irrational

Am

I m just no longer in the day dream

G

Of the delusion that

Am

Once was hard between our love it seems

G

Lately I ve been between

Am

Being steady or a head case

G

What s become of us now

Am

Hanging our hearts in disgrace

[Chorus]

Am

Em

Bm

What did I do to make you so cruel

Am

Em

I ve got this ache inside my heart

Bm

I know that it s you

Am

What should I do now that

Em

Bm

I know that we re doomed

Am

I loved you most. And now you re a ghost

G

I walk right through

[Verse]

G

Oh remember when you said

Am

That I was sick inside the head

G

I m just half way there

Am

My common sense hanging by a thread

G

I m bad on the outside

Am

But a coward at heart

G

The taste of salt in my mouth

Am

My voice is silent

G

But my thoughts are right

[Chorus]

Am

Em

Bm

What did I do to make you so cruel

Am

Em

I ve got this ache inside my heart

Bm

I know that it s you

Am

What should I do now that

Em

Bm

I know that we re doomed

Am

I loved you most. And now you re a ghost

G

I walk right through

[Bridge]
