Am

But a coward at heart

Ghost Sky Ferreira [Verse] I m not irrational I m just no longer in the day dream Of the delusion that Am Once was hard between our love it seems Lately I ve been between Am Being steady or a head case What s become of us now Hanging our hearts in disgrace [Chorus] \mathbf{Em} BmWhat did I do to make you so cruel I ve got this ache inside my heart I know that it s you Am What should I do now that I know that we re doomed Am I loved you most. And now you re a ghost I walk right through [Verse] Oh remember when you said That I was sick inside the head I m just half way there My common sense hanging by a thread I m bad on the outside
