

Ghost
Sky Ferreira

[Verse]

G#

I m not irrational

Bbm

I m just no longer in the day dream

G#

Of the delusion that

Bbm

Once was hard between our love it seems

G#

Lately I ve been between

Bbm

Being steady or a head case

G#

What s become of us now

Bbm

Hanging our hearts in disgrace

[Chorus]

Bbm

Fm

Cm

What did I do to make you so cruel

Bbm

Fm

I ve got this ache inside my heart

Cm

I know that it s you

Bbm

What should I do now that

Fm

Cm

I know that we re doomed

Bbm

I loved you most. And now you re a ghost

G#

I walk right through

[Verse]

G#

Oh remember when you said

Bbm

That I was sick inside the head

G#

I m just half way there

Bbm

My common sense hanging by a thread

G#

I m bad on the outside

Bbm

But a coward at heart

G#

The taste of salt in my mouth

Bbm

My voice is silent

G#

But my thoughts are right

[Chorus]

Bbm

Fm

Cm

What did I do to make you so cruel

Bbm

Fm

I ve got this ache inside my heart

Cm

I know that it s you

Bbm

What should I do now that

Fm

I know that we re doomed

Bbm

I loved you most. And now you re a ghost

G#

I walk right through
