Lost in my bed
And I m lost in my head

It s just what I imagined
Lost in my bedroom
It s just what I imagined

Silent in the stage
Everything s fine

Inside my brain
It s just what I imagined

Something s not right
Shadows of fear
I close my eyes
It s just what I imagined

Lost in my bed
And I m lost in my head
And I m lost in my bedroom again
It s just what I imagined
Lost in my bedroom
It s just what I imagined

It s just what I imagined
Lost in my bedroom
It s just what I imagined

Lost in my bed
And I m lost in my head
And I m lost in my bedroom again
It s just what I imagined
Lost in my bedroom
It s just what I imagined

It s just what I imagined
Lost in my bedroom
It s just what I imagined

It s just what I imagined
Lost in my bedroom
It s just what I imagined
