**E B C#m A**  
Dreams stay with you

Always on my mind  
**C#m A**  
I got a lust for lies  
**E B C#m A**  
Seasons bring truth  
**E B C#m A**  
When I found mine, it was summertime

[Pre-Chorus]

**E B C#m A**  
It's the middle of the night and I'm so gone  
**E B**  
And I'm thinking about how much I need you  
**C#m A**  
But you really want somebody else  
**E B C#m A**  
Should be given the right to carry on  
**E B**  
I'm still thinking about how much I need you  
**C#m A**  
But you really want somebody else

Streets like a zoo

Through a city of lights, love at first sight

Silent rays of blue

They slowly glide

Right down my spine

I was enjoying the ride

**C#m    B                    A**

And now we're standing on the graveside

**C#m    B**

Left unsatisfied

**C#m    B**

I won't even bother to fight

I know you're not the one
