

**Brielle**  
**Sky Sailing**

Tune 1/2 step down, or 1/2 step up and put a capo on the 8th fret.

[Intro]

**F C G Am**

**F C G (x2)**

[Verse]

**F C G**  
There s a handwritten note

**Am F**  
Pressed in the door

**C G**  
Of her screened-in porch

**F C G**  
And I am sailing away

**Am F**  
Recalling that day

**C G**  
Miles from shore

**F C G**  
She was still wearing white

**Am F**  
And robin s egg blue

**C G**  
Her grandmother s dress

**F C G**  
And I left early this year

**Am F**  
How I wound up here

**C G**  
Is anyone s guess

**F C G**  
When the new sights grow old

**Am F**  
And I start to feel cold

**G**  
I ll sail home again

[Verse]

**C G**  
Goodbye Brielle

**Dm F**  
Only whispers can tell

**C G**  
Of the sweet dreams that we knew so well

**Dm**  
I ll see you around

**F G**

Our dear ocean town

**C**

**G**

The frozen days we set ablaze

**Dm F**

Sent me drifting away

**C**

Like a butterfly, you floated by

**G**

And now you re alone

**Dm**

I wish I knew when

**C G**

I ll be back again

**Am**

**F**

So until then, I wish you well

**G C**

My dear Brielle

[Verse]

**F C G**

Strolling over the sand

**Am F**

The cobblestone paths

**C G**

That wind through the trees

**F C G**

And breathing the sweet forest air

**Am F**

Makes a bluebird aware

**C G**

That she could be free

**F C G**

When the new sights grow old

**Am F**

And I start to feel cold

**G**

I ll sail home again

[Verse]

**C G**

Goodbye Brielle

**Dm F**

Only whispers can tell

**C G**

Of the sweet dreams that we knew so well

**Dm**

I ll see you around

**F G**

Our dear ocean town
