

Take Me Somewhere Nice
Sky Sailing

C# **F#**

Take me somewhere nice.

C#

To some tired island,

F#

In your heart,

Bbm F#

Called Paradise.

C# **F#**

Though we wander home

C#

We both feel alone

Like escapees

Bb

F#

With no where to go.

C#

I can think of

F#

A thousand ways.

C#

To get good and lost

Bb

F#

Beyond these hopeless days..

C# **F#**

Where we ll rendezvous

C#

Out of the blue

And take a deep breath

Bb

F#

Just we two

C# **F#**

And we ll be so far gone

C#

The oars will row on

Bb

And we will happily wave..

F#

So long..

C# **G#**

If we hook a dream

Bbm

And it tows it back down

Eb

This open stream

F# C# G# Eb

We ll say hello

F#

Oh, Oh

G#

C#

Take us wherever you go.

CHORUS:

C# F# G#

C# F# G#

C# F# G#

Eb F# G# C#

C#

F#

Take me somewhere deep.

C#

F#

Cause i m quite exhausted

Bbm F#

And I need to sleep

C#

F#

Or climb the great divide

C#

Or wake up beside myself

Bbm

F#

Just to know I m alive.

C#

F#

Every waded route

C#

Pays me a visit

F#

Bbm F#

And drags my eyelids down.

C#

F#

They sting like growing pains

C#

Iced in the veins of a guy

Bbm

F#

Who s not ready to die

C#

F#

If I may be so bold

C#

I ll weather the cold.

Bbm

F#

Cause I m not afraid to grow old..

C#

G#

If we hook a dream

Bbm

And it tows it back down

Eb

This open stream

F# C# G# Eb

We ll say hello

F#

Oh, Oh

G#

C#

Take us wherever you go.

CHORUS:

C# F# G#

C# F# G#

C# F# G#
