

**Take Me Somewhere Nice
Sky Sailing**

Bb **Eb**
Take me somewhere nice.
Bb
To some tired island,
Eb
In your heart,
Gm Eb
Called Paradise.

Bb **Eb**
Though we wander home
Bb
We both feel alone
Like escapees
G Eb
With no where to go.

Bb
I can think of
Eb
A thousand ways.
Bb
To get good and lost
G Eb
Beyond these hopeless days..

Bb **Eb**
Where we ll rendezvous
Bb
Out of the blue
And take a deep breath
G Eb
Just we two

Bb **Eb**
And we ll be so far gone
Bb
The oars will row on
G
And we will happily wave..
Eb
So long..

Bb **F**
If we hook a dream
Gm

And it tows it back down

C

This open stream

Eb Bb F C

We ll say hello

Eb

Oh, Oh

F

Bb

Take us wherever you go.

CHORUS:

Bb Eb F

Bb

Eb

Take me somewhere deep.

Bb Eb

Cause i m quite exhausted

Gm Eb

And I need to sleep

Bb Eb

Or climb the great divide

Bb

Or wake up beside myself

Gm Eb

Just to know I m alive.

Bb Eb

Every waded route

Bb

Pays me a visit

Eb Gm Eb

And drags my eyelids down.

Bb Eb

They sting like growing pains

Bb

Iced in the veins of a guy

Gm Eb

Who s not ready to die

Bb Eb

If I may be so bold

Bb

I ll weather the cold.

Gm Eb

Cause I m not afraid to grow old..

Bb F

If we hook a dream

Gm

And it tows it back down

C

This open stream

Eb Bb F C

We ll say hello

Eb

Oh, Oh

F

Bb

Take us wherever you go.

CHORUS:
