Some Kinda Wonderful

Sky

This is a really good song, it is easy song to start of with, so I hope you enjoy

it! Listen to the song so you know how the rythm goes.

Submitted by: Matt S.

Intro:

*put all four of ur fingers lightly on the string, then strum so it makes that rough sound...that is the intro.Then:

 \mathbf{A} \mathbf{E} \mathbf{D} (x2)

Verse 1:

A E D

I came upon my crossroads yesterday

A E D

I met her on a ship just west of eyeball bay

A E D

We ate fish and we listened to some old time rock & roll

She said you can call me baby if you let me hold your soul

she said you can cair me baby ir you let me noid your sour

but it s because she s wonderful the guys they look her way

(she s some kinda big shot)

Chorus:

A F

She s some kinda wonderful,

)

She makes a mean steak and she s an eyeful,

E A D

My baby she s some kinda wonderful to me,

A E D

She s some kinda wonderful you see,

A E

She s some kinda wonderful,

E D A

Forget it snowflake, she is mine,

So just say she s wonderful and then be on your way,

She s some kinda wonderful you see.

Verse 2:

```
We bought a little house on highball way,
Great kids, nice home, and a brand new Chevrolet,
All my neighbors and friends say the wife is a little strange,
I know, the eyes are freaky and the horns are there to stay,
But it s because she s wonderful the guys they look her way,
(she s some kinda big shot)
Chorus:
She s some kinda wonderful,
She makes a mean steak and she s an eyeful,
My baby she s some kinda wonderful to me,
She s some kinda wonderful you see,
She s some kinda wonderful,
Forget it snowflake, she is mine,
So just say she s wonderful and then be on your way,
She s some kinda wonderful you see.
Chorus:
She s some kinda wonderful,
She makes a mean steak and she s an eyeful,
My baby she s some kinda wonderful to me,
                 \mathbf{E}
She s some kinda wonderful you see,
She s some kinda wonderful,
Forget it snowflake, she is mine,
So just say she s wonderful and then be on your way,
She s some kinda wonderful you see.
```

(*Repeat chorus pattern, to fade out)
