

**Dear Henry**  
**Skydiggers**

[Intro]

**G**

[Verse]

**D** **G**  
Dear Henry, you expect so much from me  
**D** **G** **C**  
Iâ€™ve settled on whatâ€™s easiest it seems  
**G** **D**  
Staying here at your expense  
**Em**  
Doesnâ€™t really make much sense  
**C** **D** **G**  
Oh Henry, why expect so much from me

[Verse]

**D** **G**  
Well Patience, youâ€™ve not heard the last from me  
**D** **G** **C**  
Not likely, I donâ€™t give in easily  
**G** **D**  
If I could recognize  
**Em**  
What is truth and what are lies  
**C** **D** **G**  
Oh Patience, I will learn eventually

[Verse]

**D** **G**  
So judgment, turn that blinding light away  
**D** **G** **C**  
Itâ€™s easy to be critical of me  
**G** **D**  
I donâ€™t meant to laugh at you  
**Em**  
But I donâ€™t share your point of view  
**C** **D** **G** **Em**  
So judgment, shine that light away from me

[Bridge]

**A7** **Em**  
Thereâ€™s a path that led us here  
**A7** **Em**  
Thereâ€™s a truth that we still share  
**A7** **C** **D**  
In between the two there must be room to reconcile

[Instrumental]

**C D Em A7 C D G**

[Verse]

So Henry, donâ€™t expect too much from me  
Iâ€™ve settled on whatâ€™s easiest it seems (Oh Patience)  
Deal with all your demons first  
Before you make this problem worse  
Yeah Henry, you expect too much from me

[Outro]

Oh Patience, I will learn eventually  
So judgment, turn that light away from me  
Oh Henry  
Oh Patience  
Oh Henry\_\_\_\_\_
