

**Dear Henry  
Skydiggers**

[Intro]

**G**

[Verse]

Dear Henry, you expect so much from me  
Iâ€™ve settled on whatâ€™s easiest it seems  
Staying here at your expense  
Doesnâ€™t really make much sense  
Oh Henry, why expect so much from me

[Verse]

Well Patience, youâ€™ve not heard the last from me  
Not likely, I donâ€™t give in easily  
If I could recognize  
What is truth and what are lies  
Oh Patience, I will learn eventually

[Verse]

So judgment, turn that blinding light away  
Itâ€™s easy to be critical of me  
I donâ€™t meant to laugh at you  
But I donâ€™t share your point of view  
So judgment, shine that light away from me

[Bridge]

Thereâ€™s a path that led us here  
Thereâ€™s a truth that we still share  
In between the two there must be room to reconcile

[Instrumental]

**C D Em A7 C D G**

[Verse]

So Henry, don't expect too much from me  
I've settled on what's easiest it seems (Oh Patience)  
Deal with all your demons first  
Before you make this problem worse  
Yeah Henry, you expect too much from me

[Outro]

Oh Patience, I will learn eventually  
So judgment, turn that light away from me  
Oh Henry  
Oh Patience  
Oh Henry\_\_\_\_\_
