[Intro]
F Am G C   Am C

[Verse]
```
                    Am   Em
```
Ninth of December
```
                        Am   C
```
Sky filled with blue
```
                    Am   Em
```
I don t remember
```
                        Am
```
The last thing I said to you
```
      F
```
But remember
```
      Am    G      C      Am  C
```
I ll always love you

[Verse]
```
                        Am   Em
```
Every eighth of December
```
               Am   C
```
I think of you
```
                Am   Em
```
Starting over
```
                      Am
```
Just like you wanted to
```
   F
```
Remember
```
      Am      G          C      Cadd9    E
```
I ll always dream with you

[Chorus]
```
                            Am      G        C
```
I ve been standing here for hours by the door
```
           F           G           E
```
I ve been waiting for you to come back to me
```
 Am              C
```
Even when you fall

[Verse]
```
                    Am   Em
```
Fifth of December
```
                  Am   C
```
Out of the blue
```
               Am
```
I can never
```
   Em                               Am
```

```
Return the life he took from you
        F
But remember
      Am       G          C        Cadd9     E
I ll always stand for you

[Chorus]
                                  Am       G         C
I ve been standing here for weeks by the door
            F          E          Am                  G
I ve been waiting for you to come back to me once more
  Am            C
Even when you fall

[Bridge]
                      Am              Em
(Ninth of December) Even when you fall
                        Am              C
(Sky filled with blue) Even when you fall
                    Am              Em
(I don t remember) Even when you fall
                            Am                   F
(Last thing I said to you) Even when you fall
                               (But remember)
        Am      G      C      Cadd9     Am
I ll always love you

[Instrumental]
C     Am  Em     Am  C     Am  Em     F  Am  G  C       E

[Chorus]
                                  Am       G         C
I ve been standing here for years by the door
            F          G          E
I ve been waiting for you to come back to me
  Am            C
Even when you fall
  Am            Em
Even when you fall
  Am            C
Even when you fall
  Am            Em
Even when you fall
  Am            F
Even when you fall
Am      G           C      Cadd9  F
I will still love you
               Am  G  C
Even when you fall
