F C Am G C  
I hold you in radio waves  
F C Am G F  
I hold you in radio waves

[Verse]

C  
You said it differently here  
C  
Your smile  
F  
I m not prepared to hear you laugh  
F  
You egg me on  
C G C F C  
I hold you in radio waves

[Verse]

Am G C  
I hold you in radio waves  
C  
We touch, the night has fallen  
Am G C  
I hold you in radio waves  
F Am  
My voice whispers just to you  
G C  
This is nothing for us  
F C Am G F  
I hold you in radio waves

[Verse]

C  
You said it differently here  
C  
Your smile  
F  
I m not prepared to hear you laugh  
F  
You egg me on  
C G F  
I hold you in radio waves  
Am G F C Am G C

You say

[Verse]

**C**

We touch the night has fallen

**Am G**

I hold you in radio waves

**C F**

The smoke and moonlight haze

**C Am G**

A spectral voice comes over the air

**C**

This room is warm, it glows with dust

**Am G**

It burns with clear reception

**C F C**

As voices sing the night has fallen

**C G F**

I hold you in radio waves

**Am G F**

You say
