

Set You Free This Time
Skydiggers

[Intro]

G

[Verse]

C

The first thing that I heard you say

C

When you were standing there, set in your way

Am

G

Was that you were not blind

C

You were sure to make a fool of me

C

Cause there was nothing there that you could see

Am

G

That could go beyond your mind

G

Now who s standing at the door

D

Remembering the days before

D7

C

And asking please be kind?

G

It isn t how it was set up to be

Dm7

G

But I ve set you free this time

[Verse]

C

I have never been so far out in front

C

That I could ever ask for what I want

Am

G

And have it any time

C

Knowing this you found a thought for me

C

That told you just what I should be

Am

G

And there I stood behind

G

With all the ones that went before

D

And memories that always seems to

D7

C

Tear me from my mind

G

In front of what it is you seem me to be

Dm7 G

I ve set you free this time

[Instrumental]

C Am G C Am G

[Verse]

C

I could never find a chance to choose

C

Between a way to win or a thing to lose

Am G

Because there was your stand

C

On top of all the love you took

C

There was only something you can look at

Am G

Lying in your hand

G

Now who s wondering what has changed

D

And why it cannot be arranged

D7 C

To have each thing work fine

G

It isn t how it was set up to be

Dm7 G

But I ll set you free this time

It isn t how it was set up to be

Dm7 G

But I ll set you free this time
