She Comes Into The Room Skydiggers

VERSE

G D

She comes into the room
D G

And she takes off her dress
G D

And she turns out the light
D G

She turns to me and says
G D

I ve had a lonely day,
G

Today.....
G D

She lies beside me close
D G

In the cool of the night
G D

Couldn t take the heat away

No, not tonight

CHORUS

С

The wind is dyin down

G

Could you let it stay around

D

For tonight my baby s down

G

We just like to hear the sound

VERSE

Well I know she wants to hide But she doesn t even cry She listens to the wind But she doesn t even cry

CHORUS

The wind is dyin down
Could you let it stay around
For tonight my baby s down
We just like to hear the sound

CHORUS

The wind is dyin down

Could you let it stay around

For tonight my baby s down

We just like to hear the sound
