

**The World Turns All Around Her**  
**Skydiggers**

[Intro]

**D**

[Verse]

Well, if you think she s everything that you could want  
**D C G/B D**  
And if you think she s everything that could be\_\_\_  
**Em A**  
Well, I still think the world turns all around her  
**Em C D**  
And I still wish that she belonged to me

[Verse]

I don t know how I ever could have thought that  
**D C G/B D**  
I d let her go and still be just the same\_\_\_  
**Em A**  
But I found out my world turns all around her  
**Em C D**  
And every where I go I hear her name

[Bridge]

Somewhere along the way, I don t know why  
**G D G D Em**  
I thought that I would want to let her go  
**G D G D Em**  
But now whenever I see her with you, I  
**G D G A**  
Realize how much I didn t know

[Verse]

So if you tell her everyday you love her  
**D C G/B D**  
And if you tell her everything she could be  
**Em A**  
You ll find out that your world will turn around her  
**Em C D**  
You ll feel the same if you should set her free  
**Em A**  
You ll find out that your world will turn around her  
**Em C D**  
You ll feel the same if you should set her free
