

Youve Got A Lot Of Nerve
Skydiggers

You've Got A Lot Of Nerve The Skydiggers

G **C** **G**
Janie rides to the hurting side of town

She got ^Cup once and she got ^Glet down

D
Well I spit up then they lie back down

c

She gets up and you come to her

D
With moistened lips

C **D**

Your face is dry but your fingers drip

G **C** **G** **D**
You've got a lot of nerve coming around here

G **C** **G**
Janie s mind does pirouettes inside

C**G**

For a host of brokers who can't believe their eyes

D
She nails dirt under the fingers with her eyes

c

And then they charge out through the door

D
Into the night

C Baptizing what they think is right **D**

C **Am** **D**
And washing down the dirt with all their might

G **C** **G** **D**
You've got a lot of nerve coming around here

G **C** **G** **D**
You've got a lot of nerve coming around here

D **C**
There don't seem to be anyway

D

There don t seem to be a way

C

Left the flowers on the ground

D

You get pushed out of the way

G

C

G

Janie buys her fuel at the corner store

C

G

She steps over the whores outside her door

C

D

She has been a junk house fire into the sky

C

D

You want to ask but you really know why

C

Am

D

And you think you can live while she dies

G

C

G

D

You ve got a lot of nerve standing at my door

G

C

G

D

You ve got a lot of nerve asking for more

G
