Noise from the Basement/How to Deal Soundtrack

Tuning: Standard EADGBe and a capo on first fret

Verse 1:

**F#**            **B**                    **C#**            **Ebm**  
Wake up tired, Monday mornings suck  
          **F#**            **B**                    **C#**            **Ebm**  
It s way too early to catch a bus  
**F#**            **B**            **C#**            **Ebm**  
Why conform without a fuss  
**F#**                    **B**                    **C#**                    **Ebm**  
Daddy Daddy, no, I don t want to go to school woo!

Chorus:

**F#**            **C#**                    **G#m**    **B**  
I don t need to read Billy Shakespeare  
          **F#**    **C#**            **G#m**    **B**  
Meet Juliet on Mavolio  
**F#**            **C#**                    **G#m**            **B**  
Feel for once what it s like to rebel now  
**E**  
I wanna break out, let s go!

Verse 2:

**F#**            **B**                    **C#**            **Ebm**  
Teachers treat us all like clones  
**F#**            **B**                    **C#**                    **Ebm**  
Sit up straight, take off your headphones  
**F#**            **B**                    **C#**            **Ebm**  
I don t blame them, they get paid  
**F#**                    **B**                    **C#**                    **Ebm**  
Money money, woo, lot s of money money woo!

(Repeat Chorus)

Bridge:

**F#**  
Get out, get out, get out, get out, woo!  
**F#**

Get out, get out, get out, get out!

**F#**

To skip or not to skip? That is the question

Get out, get out, get out, get out, woo!

**E**

Get out, get out, get out, get out, get out, get out, get out

Get out, get out, get out, get out, get out, get out, get out!

(Repeat chorus twice)

**F#**                      **C#**                      **G#m**                      **B**

Get out, get out, get out, get out, woo!

**F#**                      **C#**                      **G#m**                      **B**

Get out, get out, get out, get out, woo!

**F#**                      **C#**                      **G#m**                      **B**

Feel for once what it s like to rebel now

**E**

I wanna break out, let s go!

Get out, get out, get out, get out, get out, get out

Get Out! (Break)
