Intro: **Bm**

[**Bm**]You know what Simon says
He tells you what to do
What if he told you to
Take off all your [**F#**(244322)]clothes
And dance In your birthday suit
[**Bm**]Sure it s the latest craze
We all get influenced
The little secret
They don t want you to [**F#**]know
No no

We re only [**Em**]human
[**D**(557775)]Separated by our [**A**]thoughts
So hang on [**Em**]to them
Or you ll [[**D**(557775)]]find you might get [**A**]caught
[**F#**]Caught up in the

[**Bm**]Hype Monkey see and monkey do
Mustn t get brainwashed
By what s surrounding you
Didn t you [**Em**]know that
Every little [**Bm**]thing s contagious
Oh yes
Every little thing s contagious

It s when you watch TV
In everything you see
The virus seeping though
And you start to want
What they
Tell you you should want
It s in the air you breath
It s hidden up their sleeves
They re even marketing
What i say right now
Watch out

We re only human...caught up in the
Hype...contagious

[**D**(557775) **A Em G**(355433)]Na
We re only [**Em**]human

[3E]Separated
[D(557775) A Em G(355433)]Na
We re only [Em]human
[G(355433)]Separated
We re only [Em]human
