Submitted by n2sed_182@yahoo.com this is 100% correct I already played it.

Tuning: **Eb-Ab-Db-Gb-Bb-Eb**

D

I know what you re trying to do

Make me fall for you

Em

Oh why

G

I d like you to leave

D

And leave me alone

Em

Everywhere I go,

G

You ll always be there,

Em

Try to give you hints to leave

A

(But it s like it came of the other ear)

Chorus:

Bm **D**

I don t care what you do

G

I don t care about you

Bm **D**

I don t care get a clue

G

Cause I don t really like you, I dont really like you

Bm **D**

You and your friends are dense

G

You dont make any sense

Bm **D**

It s all at your expense

G

Cause I don t really like you, I dont really like you

D

Why have you done this to me

(You know I m ready)

G

Oh why

Em

I ve been nice so far

D

But I can t take it anymore

Em

Time passes by

G

And you wonder why

Em

I m not gonna lie

A

You mean nothin to me

(Repeat Chorus)

Interlude: **D**

You heard what I said

I said I dont really like you

D

Em

Time passes by

G

And you wonder why

Em

I m not gonna lie

A

You mean nothin to me

(Repeat Chorus)

Interlude: **D**

I said I dont really like you

D
