Intro(Violin) **Dsus2-F#m7-E**

Verse:

**Dsus2**                      **Dsus2**        **F#m7**  
For someone so young and naive  
     **E**                      **Dsus2**  
Hard to know what to believe  
                                 **F#m7**  
Still I thought I tried for a while  
     **E**                                      **Dsus2**  
Turning round and giving up is not my style  
  
On my own on my own way

Chorus:

**Bm**                      **Dsus2**                      **F#m7**                      **A**  
Bottled up is where my fears go, my fears go  
**Bm**                      **Dsus2**                      **F#m7**    **A**  
I will never show my fear  
**Bm**                                      **Dsus3**                      **F#m7**                      **A**  
They ll tear me up until my tears show, my tears show  
**Dsus2**  
Smoke and mirrors

Verse 2:

**Dsus2**                                      **F#m7**  
You must try hard, don t give in  
         **E**                      **Dsus2**  
Keep it up and you win  
   **F#m7**

Don't let them know they get to you

**E**

**Dsus2**

Put on a brave face and you'll get through

On your own, on your own way

(Repeat Chorus)

Verse 3

**F#m7**

This journey of ours never ends

**E**

**Dsus2**

We will always pretend

**F#m7**

Fighting not to let them win

**E**

**D**

And they're falling into our illusion

On our own on our own way
