

**Tower Dont Look Down**  
**Skylar Grey**

**B**

You re high upon the tower

**F#**

Now don t look down

**Ebm E**

I will be okay here on the ground

**B**

And you can always call

**F#**

To say hello from time to time

**E**

When you re no longer mine

[ **B Ebm / G#m / E B / F#** ]

**B Ebm G#m**

I will be drunk on cheap beer

**E B F#**

Like everyone else around here

**B Ebm G#m**

You ve got the world at your feet

**E B F#**

But there s nothing out there for me

**B Ebm G#m**

You don t have to lie

**E**

Saying that you ll try

**B F#**

To make it work from a distance

**B Ebm G#m**

Just leave me here to die

**E**

As I watch you climb

**B F#**

Up to the top of your ambitions

**B**

You re high upon the tower

**F#**

Now don t look down

**Ebm E**

I will be okay here on the ground

**B**  
And you can always call  
**F#**  
To say hello from time to time  
**E** **G#m** **F#**  
When you re no longer mine

**B** **Ebm** **G#m**  
Here in a pale shade of lights  
**E** **B** **F#**  
Under the trailer park lights  
**B** **Ebm** **G#m**  
There ll be nothing left for you to see  
**E** **B** **F#**  
You won t even recognize me

**B** **Ebm** **G#m**  
You don t have to lie  
**E**  
Saying that you ll try  
**B** **F#**  
To make it work from a distance  
**B** **Ebm** **G#m**  
Just leave me here to die  
**E**  
As I watch you climb  
**B** **F#**  
Up to the top of your ambitions

You re high upon the tower

I will be okay here on the ground

And you can always call  
**F#**  
To say hello from time to time  
**E** **G#m** **F#**  
When you re no longer mine

**G#m** **E** **C#m** **E**  
I always knew (I always knew) that you would follow your big dreams  
**G#m** **E** **C#m** **E**  
What I didn t know (I didn t know) is that your dreams never did include me

[ **B Ebm / G#m / E B / F#** ]

**B**

You re high upon the tower
