

**Tower Dont Look Down**  
**Skylar Grey**

**D**

You re high upon the tower

**A**

Now don t look down

**F#m** **G**

I will be okay here on the ground

**D**

And you can always call

**A**

To say hello from time to time

**G**

When you re no longer mine

[ **D F#m / Bm / G D / A** ]

**D** **F#m** **Bm**

I will be drunk on cheap beer

**G** **D** **A**

Like everyone else around here

**D** **F#m** **Bm**

You ve got the world at your feet

**G** **D** **A**

But there s nothing out there for me

**D** **F#m** **Bm**

You don t have to lie

**G**

Saying that you ll try

**D** **A**

To make it work from a distance

**D** **F#m** **Bm**

Just leave me here to die

**G**

As I watch you climb

**D** **A**

Up to the top of your ambitions

**D**

You re high upon the tower

**A**

Now don t look down

**F#m** **G**

I will be okay here on the ground

D

And you can always call

A

To say hello from time to time
