I told you no one is able to wipe me,

D

And I m gonna spit in your face if you dare to try.

F#m

D

No princess, no warriors, no fucking wizards,

I am the rule, and the rule is this:

If you are not a disciple of Belzebu

You are just dust, only dust

Or then fuck yourself away

If you are not with me

You are only to die, die and die without resting in ways
