

**The Coast**  
**Skyway Flyer**

The Coast  
Jason Munday and Alex Carpenter

INTRO: **D A Bsus2 A G A** x2

VERSE:

**D** **F#m**  
Well drive in my car  
Gbarre  
Putting the top down  
**A**  
In the cool ocean air  
**A** **F#m**  
Feel your warmth on my skin  
Gbarre  
The sky is cerulean  
**A**  
Nowhere else can compare

PRECHORUS:

**G** **Bsus2** **A**  
Our troubles far behind

(And miles away now)

**G** **Bsus** **A**  
We cant be confined

(Never again)

CHORUS:

**D**  
On the coast  
**A**  
It all works out  
**Bsus2**  
Ill watch the sun as  
**A** **G**  
It sinks in the sea  
**A**  
Right before me  
**D**  
On the coast  
**A**  
It all feels right  
**Bsus2**

This moment fits

**A** **G**

As day gives way to night

**A**

I'll hold you tight

BRIDGE:

**G** **D**

Reflecting on your shades

**A**

We've got it made

**Bsus2**

And like champagne

**G** **D**

In a paper cup

**A**

It's not enough

**Bsus2**

to be embraced

**G** **D**

Cos in another life

**A**

It's filled with strife

**Bsus2**

A minotaurs maze

**G** **D**

Dive into these thoughts

**A**

They're all we've got

**Bsus2**

These better days
