

The Wayfarers
Skyway Flyer

SKYWAY FLYER
THE WAYFARERS
Capo 5

Notes: The **-(Cadd9-Cadd9-Cadd9-Cadd9-C x2)*** is optional, I think it sounds good with it though. Each of those chords are strummed once in quick succession (so 4 strums of Cadd9 followed by a C).

INTRO

G

VERSE 1

G

Come on lets runaway

G

Jump in the car and well drive all day

Em C

Into the setting sun

G

Do something that weve never done

G

Come on cause the day is young

So many songs that can be sung

Em C

You make the sweetest sound

G

The wheels spinning round and round

PRECHORUS

D Em7 C-*(Cadd9-Cadd9-Cadd9-Cadd9-C x2)*

Weve got the windows down

D Em7 C-*(Cadd9-Cadd9-Cadd9-Cadd9-C x2)*

Well make it home somehow

D Em7 C-*(Cadd9-Cadd9-Cadd9-Cadd9-C x2)*

No one can stop us now

D Em7

They never will

C D

Our luck is with us still

CHORUS

G

Always looks fuzzy from afar

Em

Dont close your eyes cause where you are

C

Is here

D

You might just miss the moment

VERSE 2 (same as VERSE 1)

Open road ever wandering

A million miles never seemed a thing

Whenever youre around

Yeah lets take the long way down

City lights bouncing off the sky

Let you know that Im feeling fine

Like there is nothing left

Yeah except for whatâ€™s ahead

PRECHORUS (Same as PRECHORUS 1)

Weve got the windows down

Well make it home somehow

No one can stop us now

They never will

Our luck is with us still

CHORUS (Same as CHORUS 1)

Always looks funny from afar

Dont close your eyes cause where you are

Is here

You might just miss the moment
